

# ITX POS

Your guide to ITX POS, Intellitix's flexible cashless point of sale and payment solutions.

## YOUR GUESTS WILL THANK YOU

Make it easy for your guests to pay onsite with a credit or debit/Interac card, mobile device and RFID-powered solutions. Our suite of cashless offerings are fast and efficient, driving an increase in on-site guest spend. Plus the convenience of use and topping up onsite, backed by a private and secure infrastructure, enhances your guest experience – and doubles down as a valuable data asset.

## ONLINE. ONSITE. ON DEMAND.

One size doesn't fit all, so we built solutions right-sized for you.
